

SCENE OF FATAL AUTOMOBILE ACCIDENT LAST NIGHT.

AT THE POINT SHOWN IN THE PICTURE, THE TROLLEY POLES ARE TRANSFERRED FROM THE EAST TO THE WEST SIDE OF THE CAR TRACKS ON THE HIGHWAY. LAST NIGHT'S ACCIDENT WAS CAUSED BY THE MACHINE STRIKING THE FIRST POLE ON THE WEST SIDE.

AUTO STRIKES POLE; ONE MAN IS KILLED

FOG OBSCURES WAY ON BLADENSBURG ROAD

W. M. Schaffer's Neck Broken and Skull Fractured—Jesse Mann in Hospital—Others Slightly Hurt.

William M. Schaffer, thirty-eight years old, 501 13th street, was instantly killed, at 28th street and Bladensburg road, about 1:30 o'clock this morning, when the automobile in which he was riding struck a trolley pole.

The accident happened at a point that Capt. Henry Schneider of the ninth precinct has characterized several times as exceptionally dangerous. His reports, however, did not result in remedying the conditions.

A touring car, in which Jesse Mann, 931 5th street northeast, and Marion

Baden, 452 I street, were riding, turned turtle and was ditched in effort to prevent striking the damaged car on the road. Mann's face was cut and his head injured. His companion escaped with slight bruises.

Three Others in Car. The car in which Schaffer was riding was operated by Arthur C. Smith, its owner, 312 S street. Accompanying them were Miss Gertrude M. Fitzpatrick and Miss Marie Taylor. Miss Fitzpatrick's home is at St. Paul, Minn. She was visiting Miss Taylor at 115 I street. Persons who figured in the accident say there was a dense fog, which made it practically impossible for Mr. Smith to steer clear of trolley pole 146. This is the first time to the west of the tracks coming toward the city. Poles beyond 28th street are on the east side of the tracks.

Mounted Sgt. S. L. H. Russell of the ninth precinct was the first to reach the scene. George Dorf, who resides nearby, coming to his aid with lantern. The police sergeant found the body of Schaffer on the road and his companions working over him.

Neck Broken, Skull Fractured. Schaffer's neck was broken and his skull fractured. He was taken to Emergency Hospital. Life was extinct when that institution was reached. Mann was taken to Casualty Hospital. Others received no injury of consequence. According to statements made by Miss Fitzpatrick and Miss Taylor to Detective Baur at the Taylor home, today, the car in which the women and their escorts were riding was on its way to the city from Bladensburg, where the party had visited the Bannville home. Some time after midnight, they stated, when they were ready to start for home, it was suggested that Mr. Smith and Mr. Schaffer would bring them to the city in Mr. Smith's car. "We accepted their offer," said Miss Taylor. "We were on our way home when the accident happened."

Car Hit Trolley Pole. Miss Fitzpatrick and Mr. Smith were on the front seat and Miss Taylor and Mr. Schaffer occupied the seat in the rear. The car was coming through the dense fog at slow speed, the women told Detective Baur. The operator of the other car was too close to him to get the road in order to pass. There was a car on its way north, but it was on the other side of the road.

Schaffer and arranged to hold an inquest at the morgue tomorrow afternoon at 2:30 o'clock. Schaffer, who was employed as a collector for the Washington Post, formerly was a resident of Loudoun county, Va., and lived with his wife at the 18th street address. His father came here from Virginia this afternoon, and it is probable that his body will be taken to Loudoun county after the inquest is held.

NEW GOVERNMENTAL FORM FOR D. C. SOUGHT

Central Labor Union Adopts Resolutions for Legislative Body Headed by a Governor.

The Central Labor Union, at its meeting last night in Typographical Temple, unanimously adopted a set of resolutions indorsed by the legislative committee providing for a new form of government for the District of Columbia. The resolutions contemplate a legislative body for the District that shall consist of a governor, elected by the citizens of Washington, five commissioners, also elected by the people, and five commissioners appointed by the President. A provision for a representative for the District in Congress also is made. The legislative committee has been

instructed by the union to draw a bill carrying out the features of the resolutions for presentation to Congress at its next session.

John H. Lorch, president of the International Steam and Operative Engravers' Union, Local 90, was elected by the Central Labor Union last night as delegate to the convention of the American Federation of Labor, to be held in Baltimore the second week in November. Following his election, Mr. Lorch made an address, in which he urged the adoption by the union of a bill providing a pension for the employees of the government who are ineligible or incapacitated for service by reason of old age.

George Otis, second vice president of the Maryland State and District of Columbia Federation of Labor, and Miss Annie Neary, sixth vice president of the same organization, attended the meeting and requested that all of the delegates of the labor union attend the American Federation of Labor convention. An invitation also was extended to members of the union to be present at an open meeting of the Wilson National Eight-Hour League, to be held tonight at 8 o'clock, in the Building Trades Hall, at 6th and G streets.
